**Regulatory & Legislative Interest Group Committee History**

“Regs and Legs” was founded in 1990 at an NAIC Meeting by John Benton then of Transamerica, Richard Rogers then of the Illinois Department and John Reiersen then of Eagle Insurance Group. The Section was not formally certified by the CPCU Society until 1991. In the early years interest group committees were known as sections.

John Reiersen served as the first Editor of the newsletter for a number of years.

Chairs and/or Co-Chairs of Regs and Legs since its formation:
